

Department of Internal Medicine Grand Rounds

Bradley G. Richards, MD

Chief Resident, Primary Care/Med/Peds Residency Program

“Primary Care: Looking Back and Moving Forward”

Thursday, March 27, 2014 - 8:30am-Fitkin Amphitheatre

NEEDS ASSESSMENT:

With the evolving health care landscape there is increased emphasis on the role of primary care. There is a need for clinicians to be aware of the current status of primary healthcare delivery locally and nationally and to understand the training needs of future generations of primary care physicians.

LEARNING OBJECTIVES:

At the conclusion of this activity participants will be able:

1. To discuss the US primary care workforce and primary care outcomes at a local and global level.
2. To demonstrate a connection between primary care perception and the structure of primary care in the US.
3. To provide an overview of the future of primary care and how training needs to change to get us there.

DESIGNATION STATEMENT:

The Yale School of Medicine designates this educational activity for 1 AMA PRA Category 1 credit(s) Physicians should claim only credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES:

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.

ACCREDITATION:

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
