

Research Seminar

Yale School of Medicine's Department of Laboratory Medicine

"Protective antibody development during immunotherapy for food allergies"

Sarita Patil, MD

Instructor & Principal Investigator, Massachusetts General Hospital, Harvard Medical School

Wednesday, November 13, 2019 Noon, CB 401

Host: Stephanie Eisenbarth

Course Director: Joe El-Khoury & Ellen Foxman

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE

Attending Physicians, Fellows, Medical Students, Nurses, Medical Researchers and Physician Assistants.

NEEDS ASSESSMENT

- 1.Learn about current clinical and basic research findings relevant to clinical pathology
- 2.Discuss current questions that are outstanding in the field
- 3. Hear about the latest work being performed at other institutions as well as Yale School of Medicine.

LEARNING OBJECTIVES

- 1. Understand how allergic effector cells can provide biomarkers of clinical efficacy
- 2.Identify antigen-specific B cell responses that develop during immunotherapy.
- 3.Understand the development of protective antibodies during immunotherapy

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)TM. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES

Sarita Patel- Exosome Diagnostics, BioTechne (spouse) Joe El-Khoury- None Ellen Foxman-None

Stephanie Eisenbarth-None

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
