

Rheumatology Grand Rounds

Presented by

Section of Rheumatology, Allergy & Immunology

“Metabolic Bone Disease”

Marissa Sansone, MD

Clinical Fellow, Yale Rheumatology, Allergy & Immunology

Date: Wednesday, May 12, 2021 ~ Time: 8:00-9:00 am

ZOOM: <https://zoom.us/j/91095979081?>

Meeting ID: 910 9597 9081

CME: Text the code 20705 to 203-442-9435 from 7:45am-9:15am

Course Director/Host: Fotios Koumpouras, MD

There is no corporate support for this activity

This course will fulfill the licensure requirement set forth by the State of Connecticut

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE

Department faculty, attending physicians, subspecialty fellows, community physicians, resident house staff, physician assistants and medical students.

NEEDS ASSESSMENT

Metabolic bone disease is the third most common endocrine disorder group after diabetes and thyroid diseases.

Endocrinology and rheumatology share management of several of these diseases, most notably osteoporosis and specifically steroid-induced osteoporosis. Dr. Sansone will update us on osteoporosis and its treatment as well as review other errors of bone metabolism including osteomalacia and osteopetrosis, and lastly review hypophosphatasia.

LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

- 1) To learn about osteoporosis and its treatment options
- 2) To be familiar with other errors of bone metabolism including osteomalacia and osteopetrosis
- 3) To review hypophosphatasia

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)TM. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES
