There is no corporate support for this activity. Accreditation: The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Target Audience: YSM faculty, fellows, and staff, and local GI physicians. Designation Statement: The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)TM. Physicians should only claim the credit commensurate with the extent of their participation in the activity. Needs assessment: This lecture addresses the need of promoting and encouraging diversity of the physician workforce, while offering guidance for rewarding career choices; these are leading priorities in academic education. Objectives: Appreciate how the lived experiences of one underrepresented in medicine (URiM) physician fuels her passion for inspiring institutions to press beyond diversity to inclusion and belonging; Consider institutional, departmental, and individualized reckoning with racial and social justice, equity, and inclusion in medicine; Understand the framework and goals of the Harvard Medical School Program In Medical Education (PME) task force against racism. Faculty Disclosures: D Proctor - None; A Reid - None. It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs. This course will fulfill the licensure requirement set forth by the State of Connecticut.
