LEARNING OBJECTIVES
At the conclusion of this activity, participants will be able to:
1. Describe the epidemiology and transmission of bloodborne pathogens.
2. Describe the components of standard precautions.
3. Describe the process for the evaluation of exposures.

NEEDS ASSESSMENT
OSHA requires annual training/review of bloodborne pathogens and how to prevent exposure in the healthcare setting.

DISCLOSURES
Dembry: None
Russi: None
Daniel Kellner, MD, Course Director: None

TARGET AUDIENCE
The target audience are Urology attendings, residents, medical students and other healthcare providers

DESIGNATION STATEMENT
The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim the credit commensurate with the extent of their participation in the activity. It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.

ACCREDITATION
The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
