

Gene Therapy for the Heart: Challenges and Opportunities

Silvia G. Priori, MD, PhD

Full Professor of Cardiology, University of Pavia, Italy

Director of General Medicine III and Molecular Cardiology

Instituti Clinici Scientifici Maugeri SpA SB – Pavia, Italy

Director of Cardiovascular Genetics

Centro National de Investigaciones Cardiovasculares Carlos III (CNIC) Madrid -
Spain

June 28, 2019 | 8:00 AM | Hope 216 | Host: Jeffrey Bender, MD

There is no corporate support for this activity.

This course will fulfill the licensure requirement set forth by the State of Connecticut.

Accreditation:

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Target Audience:

Attending physicians, house staff, fellows, medical students, PA's

Needs Assessment:

1. Knowledge of Cardiology Field
2. Knowledge of bases of Molecular Biology and Genetics

Learning Objectives:

1. Knowledge of the excurses from molecular cardiology approach to gene therapy to treat genetic arrhythmias.
2. Knowledge of new approaches of Physicians to the Gene Therapy.
3. Knowledge of opportunities and limits of Gene Therapy.

Designation Statement:

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

Faculty Disclosures:

Speaker: Silvia G. Priori, MD, PhD – Boston Scientific Symposium, Honorarium,
Course Director: Tariq Ahmad, MD - None

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
