

Early Onset Cancer Caregiver Support Group

Smilow Cancer Hospital offers help and support to caregivers throughout their loved one's cancer diagnosis and treatment. Connect with other caregivers facing similar experiences caring for younger patients diagnosed between ages 18 – 49.

- Caregivers include partners, spouses, and family members
- Join a relaxed and caring environment
- Give and receive emotional support
- Learn about helpful community resources
- Discuss coping strategies

Free Virtual Support Group
First & third Wednesday every month

Noon – 1 pm
via Zoom
