I agree that Yale School of Medicine, collaborating with the Yale University Library system, may electronically store, copy, or translate my thesis to any medium or format for the purpose of preservation and access. **I consent for my thesis to be placed in Yale University's digital thesis repository, EliScholar, and any other preservation or repository solution Yale University may adopt in the future, under the same access options that I selected in the PQ Publishing Options section of the submission steps (i.e. the same embargo period).**

I understand that descriptions of the thesis will be incorporated into library catalogs or databases. Any request to remove my thesis from the digital library repository shall be submitted in writing to the Office of Student Research at Yale School of Medicine. Such request shall be granted or denied at the sole discretion of the Office. I hereby give Yale School of Medicine the right to make available the thesis as described above.
