OFFICE OF DIVERSITY, INCLUSION, COMMUNITY ENGAGEMENT AND EQUITY (DICE)

# SUMMER RESEARCH PROGRAM

The Yale School of Medicine Summer Research Program is a free, residential 8-week research experience for first-year medical students to participate in cutting-edge research in various fields. Each student will be matched with a faculty mentor, work on an independent research project, and participate in the life of the lab.

**PROGRAM DATES: MAY 31 - JULY 25, 2025**

This program will accept up to **20** medical students. This program is open to medical students from the following institutions:

Meharry Medical College  
Morehouse School of Medicine  
Ponce School of Medicine  
San Juan Bautista School of Medicine  
Universidad Central del Caribe School of Medicine  
University of Puerto Rico School of Medicine
