Sleep Fellow

Yale Pulmonary, Critical Care & Sleep Medicine  
Yale University School of Medicine

Wednesday, April 20, 2016, 2:00 pm  
Anylan Center TAC S-447

**Host: Lauren Tobias, M.D.**

There is no corporate support for this activity

This course will fulfill the licensure requirement set forth by the State of Connecticut

**ACCREDITATION**

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

**DESIGNATION STATEMENT**

*The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)<sup>TM</sup>. Physicians should only claim the credit commensurate with the extent of their participation in the activity.*

**NEEDS ASSESSMENT**

To raise the awareness about the relationship between obstructive sleep apnea and atrial fibrillation, by discussing the epidemiology, pathophysiology, treatments and clinical impact of the disease process.

**LEARNING OBJECTIVES**

At the conclusion of this activity, participants will be able to:

1. Understand the pathophysiology of arrhythmogenesis in OSA.
2. Explain the relationship between OSA and atrial fibrillation
3. Learn the impact of OSA on the treatment of atrial fibrillation

**FACULTY DISCLOSURES**

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
