Course Director/Host: Lubna Pal, MBBS, FRCOG, MS, FACOG

ACCREDITATION:

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE:

ObGyn attending physicians, house staff/fellows, medical students, nurses, PA's, community Ob/Gyn's, residents, midwives, nurses and researchers.

NEEDS ASSESSMENT:

For decades experts have focused narrowly on the challenge of making sure childbirth is safe. Yet we know that most pregnant people and their families have goals other than emerging from the process unscathed. Survival is the floor of what we deserve. If we're working towards a better system we should be aiming for the ceiling: care that is not only safe, but also supportive and empowering. This talk will discuss the role of medical professional in designing systems that ensure every person can choose to grow their family with dignity.

LEARNING OBJECTIVES:

At the end of this presentation, attendees will be able to:

1. Understand the role of design in developing solutions improve care;
2. Recognize the complementation of technical knowledge and lived experience as forms of expertise; and
3. Evaluate the role of dignity in supporting patient safety.

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.
