CME credit for live event only.

There is no corporate support for this activity. This course will fulfill the licensure requirement set forth by the State of Connecticut.

### ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

### TARGET AUDIENCE

Attending physicians, house staff/fellows, medical students, nurses, physician assistants.

### NEEDS ASSESSMENT

Identification and understanding of the role of early life respiratory viral infections on asthma risk

### LEARNING OBJECTIVES

At the conclusion of this talk, participants will be able to

1. Articulate the importance of study design in observational studies of causal inference
2. Summarize the types of data supporting an association between respiratory viral infections and asthma
3. Discuss the implications of the currently available data on early life respiratory infections and long-term respiratory morbidity

### DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)<sup>TM</sup>. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

### FACULTY DISCLOSURES

Richard Matthay, MD, Course Director – None

Tina V Hartert, MD – Sanofi Pasteur

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity, and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
