American Thoracic Society

Dear Dr. Tanoue,

Congratulations on your selection for the 2019 Connecticut Thoracic Society Chapter Outstanding Clinician Award. This award is given by ATS and the Council of Chapter Representatives (CCR) in recognition of your clinical excellence, devotion and dedication to patient care as described in the nomination letter by your colleague, Dr. Pisani and attested to by supporting letters from patients and colleagues. The ATS Chapter Outstanding Clinician award represents the high esteem in which you are held by your peers and patients and the gratitude we feel for your years of service and inspirational care.

As a 2019 state Outstanding Clinician awardee, we invite you to attend the OCA Reception on **Monday, May 20 from 4:00-5:00 pm in the Clinicians Center** in Dallas, TX, where we will honor all state Outstanding Clinician Awardees, and the ATS Outstanding Clinician Awardee. Light hors d'oeuvres and refreshments will be available.

We encourage you to invite your family, friends, and colleagues to attend the reception and celebrate you!

Congratulations again! Please let me know if you have any questions.

Sincerely,  
Jag Sunderram, MD
