LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

1. Become familiar with symptoms of early stage endometrial cancer in the middle/oldest old (>80).
2. Objective measures to assist in risk stratification of the middle/oldest old afflicted with endometrial cancer.
3. Learn various treatment modalities for early stage endometrial cancer in the middle/oldest old.

FACULTY DISCLOSURES

Gary Altwerger: Consulting Fee-Consulting-Aspira

James Lai: None

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
