

**Grand Rounds Visiting Professor Lecture  
Department of Dermatology**

*presents the*

**JEFFREY SCHECHNER MEMORIAL LECTURE**

***“Genetics and Immunology of  
Alopecia Areata”***

*to be given by*

**Angela Christiano, PhD, FACMG**

Richard & Mildred Rhodebeck Professor  
Departments of Dermatology and Genetics & Development  
Vice-Chair and Director of Basic Science Research, Department of Dermatology  
Director, Center for Human Genetics  
Columbia University College of Physicians & Surgeons

**Wednesday, April 9, 2014 - 10:00 a.m.**

**Fitkin Amphitheater, LMP 1094, 789 Howard Avenue**

**ACCREDITATION**

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

**NEEDS ASSESSMENT**

Genetics of Alopecia Areata are not well understood. Critical immune cells are not known. There are no biomarkers of disease progression. There are no current therapies.

**LEARNING OBJECTIVES**

1. understand genetics of alopecia areata
2. understand immune cells involved in alopecia areata
3. understand selection of new therapies

**CME CREDIT**

This educational activity is designated for a maximum of 1 Category 1 credit toward the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

**FACULTY DISCLOSURES**

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.

This program is not supported by any grants or corporate support.  
This course fulfills licensure requirements set forth by the State of Connecticut.
