ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE

Department faculty, attending physicians, subspecialty fellows, community physicians, resident house staff, physician assistants and medical students.

NEEDS ASSESSMENT

There is a growing appreciation of the importance of the human microbiome in influencing immune homeostasis and the potential for autoimmunity. Rheumatologists need to be aware of the immunobiology surrounding the microbiome and how it may impact the development and treatment of autoimmune diseases.

LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

1. Learn about the importance of the gut barrier in health and disease
2. Understand the implications of gut commensal translocation in autoimmunity
3. Appreciate new treatment avenues in rheumatic diseases targeting the microbiota

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity.
