## The Parallax View: Autism from both sides of the Sibling Divide

***Eli Gottlieb***

*Novelist and Author*

*Eli Gottlieb is a novelist and writer whose journalism has been widely published and whose books have won him the Rome Prize and been translated into 14 languages. He has written two autobiographical novels drawing from his experience growing up with an autistic brother during the diagnostic Dark Ages of the 1960's. The most recent of these, Best Boy, told from the point of view of a middle aged man with autism, was one of Library Journal's 10 Best Books of 2015.*
