

# Dr. Christina Gomez Joins Smilow Cancer Hospital Care Center at Torrington

**Christina Gomez, MD** has been appointed to join the oncology team at the Smilow Cancer Hospital Care Center at Torrington. Dr. Gomez joined Yale Cancer Center in 2016 from the Michael and Dianne Bienes Comprehensive Cancer Center at the Holy Cross Medical Group in Fort Lauderdale, FL. Dr. Gomez has a background in clinical research and, along with her colleagues, has presented findings in both pancreatic and breast cancer at national oncology meetings. The Smilow Cancer Hospital Care Center at Torrington works closely with the diagnostic radiologists, pathologists, and medical, radiation, and surgical oncologists in the local community and at Smilow Cancer Hospital at Yale-New Haven.

Dr. Gomez is a graduate of the University of Miami School of Medicine, where she also completed her residency and fellowship in medical oncology and hematology. She received her undergraduate degree in biological sciences at Florida International University.

Dr. Gomez is pleased to join her colleagues at Smilow Cancer Hospital Care Center at Torrington and looks forward to meeting patients in northwestern Connecticut, working closely with the medical staff at Charlotte Hungerford Hospital, and bringing new treatment options to the office through clinical trials from Yale Cancer Center.
