

Dr. Khanh Nguyen Joins Smilow Cancer Hospital

Khanh Nguyen, MD recently joined Yale Cancer Center and Smilow Cancer Hospital as a clinician in our Derby Care Center. Dr. Nguyen joins us from the University of Pittsburgh Medical Center (UPMC) where he recently completed his fellowship in Hematology/Oncology.

Dr. Nguyen received his medical degree from the Medical College of Georgia and completed his residency at the University of Virginia Health System. His recent research includes the evaluation of the endoplasmic reticulum stress modulator and autophagy inhibitor as a potential therapeutic option for pancreatic cancer. He will also be an active member of our Gastrointestinal Cancers Program at the hospital.

Dr. Nguyen joins Dr. Walter Lundberg, Dr. Jeffrey Orell, and Dr. Andrea Silber at the Smilow Cancer Care Center in Derby.
