Travel and associated activities continue to pose a potential risk for exposure to COVID-19. We encourage you to assess risks prior to travel and apply safe practices accordingly.

The Yale Department of Pathology, and attendees by extension, will observe Yale University, The Yale Club, CDC, and travel guidelines during the event.

Gynecologic and Genitourinary Pathology

Significant advances in diagnostic pathology combined with molecular genetic discoveries have introduced reclassified disease entities and refined diagnostic criteria to guide clinical management of the patients and to provide clinicopathological framework for further investigation. In recognition of such rapid development, World Health Organization (WHO) has been systematically updating its blue books in all areas of diagnostic pathology to serve as systemic educational tool for practicing pathologists to adopt new disease classification and related diagnostic criteria. The world-class Yale faculty are significant contributors to the WHO classifications in recent decade.

This two-day CME course is designed to provide an intense learning experience for pathologists at all career/expertise levels to maximize their diagnostic skills. While providing a comprehensive coverage, the course emphasizes knowledge gains in morphologic recognition and using ancillary studies in the most challenging areas of diagnostic genitourinary and gynecological pathology, particularly new disease classifications/diagnostic criteria.

LEARNING OBJECTIVES

- Gain competency in applying new diagnostic criteria and disease classifications.
- Gain competency in using ancillary studies to achieve accurate diagnosis.
- Become proficient in apply morphologic criteria in correlation with clinical findings for accurate pathology reporting.
- Learn strategies to avoid mismanagement and to enhance communication with clinical teams to ensure optimal patient care.

COURSE DIRECTOR
Pei Hui, MD, PhD

FEATURED COURSE FACULTY
Adebowale Adeniran, MD
Professor of Pathology; Director of Cytopathology; Director of Cytopathology Fellowship Program

Natalia Buza, MD
Professor of Pathology; Director of Pathology Center of Excellence for Women’s Health, Director of Gynecologic Pathology Fellowship Program

Pei Hui, MD, PhD
Professor of Pathology, and of Obstetrics, Gynecology and Reproductive Sciences; Director of Gynecologic Pathology; Clinical Director of Molecular Diagnostics Laboratory

Peter Humphrey, MD, PhD
Professor of Pathology; Director of Genitourinary Pathology

Tong Sun, MD, PhD
Assistant Professor of Pathology

Accreditation Statement
Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Designation Statement
Yale School of Medicine designates this Live Activity for a maximum of 12 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Disclosure Policy
It is the policy of Yale School of Medicine, Continuing Medical Education (CME), to ensure balance, independence, objectivity, and scientific rigor in all its educational programs. All individuals involved in the development and presentation of Accredited Continuing Education activities are required to disclose all financial relationships(s) with ineligible companies (those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients) that has occurred within the past 24 months; and the opportunity to affect the content of ONE about the products or services of the commercial interests. This information is disclosed to all activity participants prior to the commencement of the educational activity.

Mitigation of Financial Relationships Statement
Yale CME adheres to the ACCME’s Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all relevant financial relationships with ineligible companies. All relevant conflicts of interest have been mitigated prior to the commencement of the activity.

REGISTER TODAY
ONLINE REGISTRATION

Before October 6:
$350 standard
$250 pathology trainee

After October 6:
$450 standard
$300 pathology trainee

MAIL IN REGISTRATION

☐ $350 before October 6
☐ $250 pathology trainee before October 6
☐ $450 on site or after October 6
☐ $300 pathology trainee after October 6
