“Personalized Medicine in the Diagnosis and Treatment of Conditions with a Risk of Sudden Death”

Wednesday, April 14, 2021, 12:00 p.m.
Conducted via Zoom

There is no corporate support for this activity. This course will fulfill the licensure requirement set forth by the State of Connecticut

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE

Medical Students
Residents and Fellows
Faculty Physicians
Allied Health Providers

NEEDS ASSESSMENT

This talk is an overview of the conditions that cause arrhythmic sudden death in the young and present treatments as well as innovative diagnostic and therapeutic advances being used in these conditions that are a move toward personalized medicine.

LEARNING OBJECTIVES

At the end of this activity, participants will be able to:

1. Sudden death in the young while uncommon remains important and in many cases preventable. There remains a lack of full understanding of these conditions and their genetic background. The learner will understand the symptoms and means of diagnosing most common conditions that cause arrhythmic sudden death in the young and the risk to additional family members.
2. The learner be able to fill the knowledge gaps concerning the genetic architecture in these conditions and the risk to family members
3. The learner will gain knowledge as to the advances toward personalized medicine in the care of patients with inherited arrhythmia conditions

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES

Susan Etheridge, MD: None
Pnina Weiss, MD, Grand Rounds Director: None

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
