“PurpLE Health Foundation”**

presents

**“Human Trafficking and Healthcare Delivery
A Public Health Approach”**

Dr. Ravi (YSPH Alum '05, CDE) will share her experience in using public health tools to create "The PurpLE Clinic": a pioneering primary care clinic designed to provide healthcare for survivors of human trafficking and other forms of abuse and exploitation. This presentation will highlight the ways in which qualitative research and data from direct services can address health disparities for survivors of sex and labor trafficking, including the data gap in identifying the chronic disease issues impacting these populations.

**Tuesday, October 27, 2020
12:00-1:00pm**
