"Genes, Genomes and Liver Disease"

Silvia Vilarinho, MD, PhD
Assistant Professor of Medicine
(Digestive Diseases) and of Pathology, Yale School of Medicine

Tuesday, February 18, 2020
TAC S-247, 300 Cedar Street
5:00 - 6:00 pm

Host: Pramod Mistry, MBBS, PhD, FRCP

There is no corporate support for this activity. Accreditation: The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Target Audience: YSM faculty, fellows, and staff, and local GI physicians. Designation Statement: The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim the credit commensurate with the extent of their participation in the activity. Needs assessment: The role of genomic medicine in liver research and hepatology practice. Objectives: Understand the role of genomic analysis in new liver-related gene discovery. Describe the clinical utility of genomic analysis in individuals with idiopathic liver disease. Discuss the value to understand and classify liver disease at the molecular level and its implications in developing new diagnostic and therapeutic tools. Faculty Disclosures: S. Vilarinho - None I. Yasuko - None. It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs. This course will fulfill the licensure requirement set forth by the State of Connecticut.
