

Dear applicants,

Thank you for visiting Yale today. We hope you enjoyed your visit as much as we enjoyed meeting you.

As mentioned, we have joined several peer programs in supporting a policy upholding high standards of integrity in post-interview communications. You can read about that policy here:

<https://medicine.yale.edu/intmed/residency/traditional/interview/statement-match-integrity/>

We will also be adhering to the APDIM Guidelines for Post-Interview Communication and Second Looks, which you can read about here:

<https://www.im.org/resources/ume-gme-program-resources/post-interview-guidelines>

We do not expect or require you to communicate with us, but please feel free to reach out if questions arise. In addition, residents on the Yale Welcoming Committee are always available to help: YaleWelcome@gmail.com

You are an incredibly talented group of applicants and will do marvelously in the match. We wish you all the best and hope to see many of you next June.

Yours,
Mark
