Reproductive Sciences

Richard L Berkowitz, MD
Columbia University Medical Center
“Intrapartum Management of Category II Fetal
Heart Rate Tracings”

This activity is no corporate support for this activity
This course will fulfill the licensure requirement set forth by the State of Connecticut

Thursday, March 27, 2014 - 4:00PM

Brady Auditorium, Room
B131 Lauder Hall

LEARNING OBJECTIVES:

To have every fetus that presents with, or develops a Category II tracing, deliver in the same state of health as when the fetal monitoring was commenced.

In other words, no fetus that presents with a Category I tracing should ever deliver with brain damage in the absence of an unpredictable catastrophic sentinel event, and no fetus that presents with evidence of prior potential brain damage should be further damaged by being in labor.

NEEDS ASSESSMENT:

Category II tracings occur in >80% of laboring patients represent a wide spectrum of potential fetal compromise. Appropriate management of this disparate group tracings poses one of the greatest challenges to providing optimal care to intrapartum patients

ACCREDITATION:

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CME CREDIT:

The Yale School of Medicine designates this educational activity for 1 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES:

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
