CME credit for live event only.

There is no corporate support for this activity. This course will fulfill the licensure requirement set forth by the State of Connecticut.

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE

Attending physicians, house staff/fellows, medical students, nurses, physician assistants.

NEEDS ASSESSMENT

Our understanding of COVID-19 has significantly advanced but remains inadequate. Clinicians would benefit from further knowledge on mechanistic drivers of disease, its impact on the heart, and potential therapies.

LEARNING OBJECTIVES

At the conclusion of this talk, individuals will:

1. Review current understanding of COVID-19 and its impact on the cardiovascular system
2. Discuss the controversies surrounding diagnostic testing for COVID-19 and therapeutic strategies
3. Discuss cardiovascular complications of COVID-19 and their mechanisms.

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category I Credit(s)TM. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES

Richard Matthay, MD, Course Director – No conflicts of interest

Hyung Chun, MD – Pfizer, Astra Zeneca

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity, and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
