15th Annual Yale Digestive Disease Week Review

Register Today!

Saturday, June 5, 2021

8:00 AM - 12:15 PM

Live Virtual Webinar

YaleCME
CONTINUING MEDICAL EDUCATION

Yale Medicine

This course is a unique opportunity for a panel of experts in subspecialty areas within gastroenterology to present the most important new information presented at Digestive Disease Week and within the past year. This course is a valuable experience for those who have attended Digestive Disease Week in addition to those who have not.

We are pleased to bring the 15th Annual Yale Digestive Disease Week Review to the regional gastroenterology community.

COURSE DIRECTORS

Harry Aslanian MD
Professor of Medicine
Director, Advanced Endoscopic Training Program
Yale School of Medicine

Priya A. Jamidar MD
Professor of Medicine
Director of Endoscopy
Yale School of Medicine

LEARNING OBJECTIVES

These presentations will enable participants to:

- ~ Identify therapeutic options for patients with complex inflammatory bowel disease
- ~ Review the impacts of Covid-19 on the gastrointestinal tract
- ~ Discuss new developments in the diagnosis and treatment of esophageal and gastric motility disorders
- ~ Assess endoscopic diagnosis and treatment of pancreaticobiliary disorders
- ~ Translate information learned from presentations to the patient's bedside
- ~ Assess the different measures that have been shown to improve adenoma detection during colon cancer screening
- ~ Identify optimal therapy for gastrointestinal bleeding disorders
- ~ Apply recent developments and new technologies in gastroenterology and hepatology to their practice
- ~ Discuss controversial and novel findings as presented at DDW

This live activity is approved for a maximum of 4.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Yale School of Medicine, Department of Internal Medicine, Section of Digestive Diseases, is grateful to its supporters. They are acknowledged in all conference materials.
