Smilow Cancer Hospital Opens New Surgical Care Location in Bridgeport, CT

Smilow Cancer Hospital, in partnership with the Norma Pfriem Breast Center, has opened a new patient care location in Bridgeport, CT to provide residents in the greater Bridgeport area with convenient access to Smilow Cancer Hospital specialty breast surgical care and expertise.

Providers seeing patients at this location are focused on patient- and family-centered care and are committed to providing each patient with an outstanding and positive cancer care experience. Our expert team of surgical oncologists include Monica Valero, MD, Melanie Lynch, MD, and Mehra Golshan, MD, MBA. Dr. Valero has a particular interest in quality improvement projects to improve surgical treatment of underserved populations with breast cancer. Dr. Lynch has significant clinical experience in breast cancer surgery, with a practice dedicated to the integration of oncoplastic techniques. Dr. Golshan is a nationally and internationally recognized leader in breast cancer treatment and research and is an innovator in tailoring surgery and therapy for women with early-stage breast cancer. In addition, comprehensive, multidisciplinary breast cancer care remains available at Smilow Cancer Hospital in Trumbull, Fairfield, and at Bridgeport Hospital.
