**“What Can Aging with HIV
Teach Us About Aging?”**

There is no corporate support for this activity

This course will fulfill the licensure requirement set forth by the State of Connecticut

ACCREDITATION:

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE:

Attending physicians, house staff, fellows, medical students, PA's

NEEDS ASSESSMENT:

Patients with HIV infection achieving viral suppression are aging and experiencing a spectrum of non-AIDS diseases. Clinicians need to understand how mechanisms and manifestations of aging compare among those with and without HIV infection, and know about approaches to treatment based on understanding of aging mechanisms.

LEARNING OBJECTIVES:

1. Be able to identify how mechanisms of aging including frailty, multimorbidity and polypharmacy overlap among those with and without HIV infection
2. Understand how aging with HIV differs from aging without HIV
3. Be able to identify approaches to treatment which capitalize on upstream mechanisms of aging

DESIGNATION STATEMENT:

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity.
