

## Our Best Shot: COVID-19 Vaccine Science, Advocacy, and Action

Please join us for a virtual conversation exploring the safety, efficacy, and acceptance of the COVID-19 vaccines. A panel of Yale experts will demystify the science behind the vaccines, discuss the challenges surrounding supply and distribution, and share ways that audience members can advocate for and enhance vaccine confidence among all populations.

**Monday, March 15, 2021**  
**7:00–8:15 p.m. EDT**
