Yale School of Medicine

Associate Medical Director & Director of Colposcopy and Cervical Dysplasia, Women's Center

Yale New Haven Hospital

“In the Era of Elimination: Cervical Cancer Prevention & Screening”

There is no corporate support for this activity

Course Director/Host: Lubna Pal, MBBS, FRCOG, MS, FACOG

Thursday, October 10, 2019 - 4:00PM-5:00PM

Brady Auditorium, 310 Cedar St

LEARNING OBJECTIVES:

At the conclusion of this talk, the attendees will be able to:

1. Examine the evidence for primary human papillomavirus (HPV) testing for cervical cancer;
2. Identify important characteristics and changes in the upcoming new risk-based management guidelines; and
3. Discuss implementation science and its applicability in OBGYN.

NEEDS ASSESSMENT:

The global public health community has identified that elimination of cervical cancer is within reach. It is essential that clinicians and researchers understand the underlying data and principles guiding current cervical cancer prevention strategies in HPV immunization and screening & management and how we can work together to implement updated guidelines.

TARGET AUDIENCE

ObGyn attending physicians, house staff/fellows, medical students, nurses, PA's, community Ob/Gyn's, residents, midwives, nurses and researchers.
