Contact: nicholas.blondin@yale.edu

Nicholas A. Blondin, MD, has been appointed an Assistant Professor of Clinical Neurology at Yale School of Medicine. Dr. Blondin cares for patients at Smilow Cancer Hospital in New Haven and the Smilow Cancer Hospital Cancer Care Center in Trumbull. He received his Medical Degree from the University of Connecticut School of Medicine and completed his residency as part of the Yale Neurology Program, where he served as Chief Resident, followed by a fellowship in Neuro-Oncology at Yale School of Medicine. Prior to joining Smilow, he was Director of the Neuro-Oncology Program at Associated Neurologists of Southern CT and Medical Director of the St. Vincent's Brain Tumor Center.

Dr. Blondin's clinical expertise is in treating benign and malignant brain tumors, brain and spine metastasis, and neurological symptoms of cancer, such as seizures, cognitive impairment, headaches, gait disturbance, and weakness. Dr. Blondin is an active investigator for clinical trials for brain tumor patients through Yale Cancer Center.

Dr. Blondin's clinical expertise is in treating benign and malignant brain tumors, brain and spine metastasis, and neurological symptoms of cancer.
