

Presented by: Department of Neurosurgery

Clinical Neuroscience Grand Rounds

The Clinical Neuroscience Grand Rounds series is hosted by the Department of Neurosurgery featuring lectures in basic sciences and clinical sciences as well as presentations on leadership, ethics and professional responsibilities. In addition to our Yale speakers, we invite world renown visiting professors. We assess the faculty and residents needs and seek to narrow the gap.

Yale Neurovascular: 2022 Update & Opportunities for Training

Charles Matouk, MD
