**“Ongoing Controversies in the Management of
Elevated Blood Pressure in Pregnancy”**

Thursday, February 13, 2014- 8:30am-Fitkin Amphitheatre

NEEDS ASSESSMENT:

Hypertension is frequently observed during pregnancy, and it can result from multiple etiologies.

Clinicians need to understand the epidemiology and pathophysiology of hypertension in pregnancy, know about its differential diagnosis, and be aware of current treatment recommendations.

LEARNING OBJECTIVES:

At the conclusion of this activity, participants will be able:

***To provide an update on the epidemiology and pathophysiology of hypertension.**

***To educate listeners on the differential diagnosis of hypertension in pregnancy.**

***To provide the updated treatment recommendations for Hypertension in Pregnancy.**

DESIGNATION STATEMENT:

The Yale School of Medicine designates this educational activity for 1 AMA PRA Category 1 credit(s) Physicians should only claim credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES:

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
