Yale Cancer Center Shared Resources

David Rimm, MD, PhD

Yale Pathology Tissue Services

Needs: To be aware of mechanisms for research tissue; to understand hospital bylaws with respect to research tissue; and to understand tissue access policies at YNHH.

Objectives: To learn about research tissue availability; to learn about tissue analysis services; and to learn about tissue access methods and banking.

Janie Merkl, PhD

From Disease Hypothesis to Treatment Prototype: Program in Innovative Therapeutics for CT's Health (PITCH) and The Yale Center for Molecular Discovery

Needs: We will present a high level overview of early-stage drug discovery resources available through the Yale Center for Molecular Discovery and a new funding opportunity, PITCH.

Objectives: To provide an overview of early stage drug discovery resources at Yale; to describe PITCH; and to identify resources useful in writing a competitive proposal.

Shuangge Ma, PhD

Yale Cancer Center Biostatistics Shared Resource

Needs: With a constant development of biomedical and public health research and incoming of new YCC members, there is a need for an updated description of the service provided by the biostatistics shared resources.

Objectives: To provide an updated description of the service; to provide a detailed introduction of the biostatistics investigators; and to answer questions regarding the biostatistics shared resource.

There is No Corporate Support for These Activities.

Accreditation: The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Statement: The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Faculty Disclosures: It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.

This course will fulfill the licensure requirement set forth by the State of Connecticut.
