

DO YOU HAVE A CHILD WITH INTELLECTUAL DISABILITY?

The McPartland Lab at the Yale School of Medicine is seeking children **ages 6-11** on the **autism spectrum** and/or with **intellectual disability** to participate in our study and help us learn about brain development.

Participants will receive a clinical evaluation and report, as well as up to \$200 compensation.

Scan the code or contact our team at
203-737-3439 or **autism@yale.edu**
