

Presented by the Yale Child Study Center

Louis S. Schmidt, PhD

Professor and Director, Child Emotion Laboratory
Department of Psychology, Neuroscience & Behavior
McMaster University

“Shyness and Sociability: A Risky Combination in Children”

Tuesday, May 10, 2016, 1:00 p.m.

Donald J. Cohen Auditorium, Room E02

There is no corporate support for this activity
This course will fulfill licensure requirement set forth by the State of Connecticut

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

NEEDS ASSESSMENT

The interaction of shyness and sociability is important to consider in predicting problem behavior in children and youth.

LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

1. Gain knowledge about the independence of shyness *and* sociability and their interaction in predicting problem behavior in children
2. Develop an understanding of why all shy children are not alike
3. Provide evidence for why the study of shyness and sociability has theoretical and practical implications to understanding children's anxiety

Designation Statement

The Yale School of Medicine designates this live activity for *1 AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity

FACULTY DISCLOSURES

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
