#### LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

1. Understand the evidence for treatment of hyperglycemia in older adults with diabetes.
2. Identify adverse effects of treatment of hyperglycemia in older adults.
3. Be able to discuss tradeoffs of treatment with older patients.

#### FACULTY DISCLOSURES

**Kasia Lipska: None**

**James Lai: None**

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
