

Presented by: Yale School of Medicine - Department of Pediatrics

Health Equity Rounds - I'm Not Just the Trash Lady - Amplifying Inclusion Stories

10/27/2021 12:00:00 PM–10/27/2021 1:00:00 PM | Medical Campus

The Pediatric Subspecialty Lecture series is a multidisciplinary series. The series includes one hour lectures and case presentations that update our pediatric subspecialist physicians, learners and other healthcare professionals on cutting edge biomedical sciences, clinical and educational practices, presenting this information in an understandable and clinically useful format, that informs the health care delivery and improves outcomes of children and adolescents. Pediatric Subspecialty lecture topics are varied.

Texting code for today's session: 29697

Faculty:

Jessica Malcolm, MD, MPH
Resident PGY-3
Yale New Haven Children's Hospital

Darnna Banks, MD, FAAP
Clinical Fellow
Yale School of Medicine

Program Goal:

- 1 Identify and analyze the effects of implicit bias and structural racism in specific clinical scenarios
- 2 Employ evidence-based tools to recognize and mitigate personally held implicit biases
- 3 Use newly learned strategies to combat structural racism at the institutional level and reduce the impact of implicit bias on patient care and interprofessional relationships

Target Audience: Pediatrics

Financial Disclosure Information:

Jessica Malcolm, MD, MPH: Nothing to disclose

Darnna Banks, MD, FAAP: Nothing to disclose

Accreditation Statement: Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
