

2021 YSBS Life Science Career Fair

The YSBS Life Science Career Fair is the largest life science career fair held in the Yale community. This annual event will invite over 20 companies (Biotech, Pharma, Consulting, VC and more) to facilitate career exploration and professional mentorship for all Yale students and postdoctoral fellows.

Our program includes:

- Keynote Addresses
- Panel Discussions
- Company Presentations
- Company Booths
- 1-on-1 Networking

Application:

- Early application: Mar 15 - Apr 7
Priority to sign up for the 1-on-1 networking sessions!
- Late application: Apr 8 – 25
- Registration link (See QR code below)

(For agenda and details of our program, please visit [our website](#).)

Participating companies:

More companies are on their way! check our website for most updated sponsor list:
