“Can TMVR ever be the next TAVR: The vexing problem of the anterior mitral leaflet.”

James McCabe, MD FACC
Associate Professor, Medicine
Director, Cardiac Catheterization Laboratory
University of Washington Medical Center

DATE: Tuesday, May 7, 2019 TIME: 8:00 AM
LOCATION: Fitkin Amphitheatre, LMP 1094
Host: Jeffrey Testani, MD

There is no corporate support for this activity
This course will fulfill the licensure requirement set forth by the State of Connecticut.

ACCREDITATION
The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE
Attending physicians, house staff, fellows, medical students, PA's

NEEDS ASSESSMENT
There is insufficient understanding of how, when, in whom TMVR maybe applicable though there is great interest in minimally invasive therapies from this condition.

LEARNING OBJECTIVES
At the conclusion of this activity, participants will be able to:

1. Explore the challenges arising from transcatheter mitral therapy and the mitral anatomy.

2. Understand the current data for TMVR.

3. Recognize scenarios in which TMVR may play a critical role for patients with mitral valve stenosis or regurgitation.

DESIGNATION STATEMENT
The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES
Speaker: James McCabe, MD, Yes
Course Director: Tariq Ahmad, MD - None

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
