

FIB Policies and Rates

Reservations

- One user may make a reservation for one workday (9:00 a.m.-5:00 p.m.) for the following week. Special requests are evaluated on a case-by-case basis.
- Please send the [FIB Access Request Form](#) on the Liu Lab website to: jennifer.aronson@yale.edu at least 3 days before use. BSL-3 materials are prohibited inside the room.
- You will receive a confirmation email informing if the request is approved.

Cancellation

- Cancellation requests should be made at least 48 hours prior to the reservation date. Users may be billed for cancellations within 48 hours of reservation date or no-shows.
- Users whose sessions are cancelled by the lab assistant due to unforeseen instrument down time and maintenance will be placed at the top of the request queue and assigned a new session as soon as possible. Confirmed session reservations will not be shifted.

Fees

The daily user consumable fee for FIB is \$120. Users are responsible for the cost of auto-grid rings and C-clips. We recommend users bring their own consumables. However, we also provide auto-grid rings (\$30 each) and C-clips (\$5 each).

Note

- Please follow all Liu lab FIB Guidelines and Yale EHS safety procedures.
- After FIB session, please ensure that the machine is in the same condition as at the start of the session and complete the Aquilos Usage Log.
- Please keep the FIB room clean and close the door. Dispose of trash in appropriate bins: trash, BSL-1 (gloves), and BSL-2 (biological materials).
- No food or drinks are allowed in the FIB/CLEM room.
- Users who violate these guidelines may not be permitted to use the instrument.
