

Yale Liver Center Research Seminar

*Presented by Yale School of Medicine,
Department of Internal Medicine*

Using patient-derived iPSC for modeling Gaucher disease and GBA1-associated Parkinson's disease

Ricardo A. Feldman, PhD

Associate Professor, Department of Microbiology and Immunology
University of Maryland School of Medicine

Tuesday, November 1, 2022
5:00-6:00PM

Host: Pramod Mistry, MD, PhD

Hybrid event

Fitkin Amphitheatre or

Meeting ID: 983 2427 3018

Passcode: 742284

To record your attendance to this activity, text the Activity Code (35287) to 203-442-9435.

There is no corporate support for this activity. Accreditation: The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. **Target Audience:** YSM faculty, fellows, nurses, residents, medical students, staff, and other health care providers. **Designation Statement:** The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity. **Needs assessment:** Ricardo A. Feldman, PhD will give a lecture on the use of state-of-the-art stem cell technology to model Gaucher and Parkinson's diseases. **Objectives:** 1. Learn the basics of Gaucher disease. 2. Learn about the uses of induced pluripotent stem cell (iPSC) technology for disease modeling. 3. Learn about the phenotypic abnormalities of neurons and other cell types in Gaucher disease gleaned from analysis of Gaucher iPSC. **Faculty Disclosures:** R. Feldman, nothing to disclose. All of the relevant financial relationships listed for these individuals have been mitigated. It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity, and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs. **This course will fulfill the licensure requirement set forth by the State of Connecticut.**
