#### ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

#### NEEDS ASSESSMENT

This talk has been prepared to satisfy the educational needs of:

1. Medical Trainees: Medical Students, Residents, Fellows
2. Attending Physicians (MD) and Physician Scientists (MD,PhD)
3. Policy makers and administrators
4. Ethics committee members

#### LEARNING OBJECTIVES:

At the end of this activity, participants will be able to:

1. Cite reasons for chemotherapy shortages in the U.S.
2. Explain challenges and importance of ethically sound guidance in allocating lifesaving chemotherapy for children with cancer
3. Describe clinical, ethical, and legal rationales for and against coordination across institutions in coping with chemotherapy shortages

#### DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

#### FACULTY DISCLOSURES

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
