Importance of Bleeding and the TWILIGHT Trial
Mount Sinai Professor in Cardiovascular Clinical Research and Outcomes
Director of Interventional Cardiovascular Research and Clinical Trials
Icahn School of Medicine at Mount Sinai

October 29, 2019 | 8:00 AM | Fitkin Amphitheatre, LMP 1094 | Host: Eric Velazquez, MD

There is no corporate support for this activity.
This course will fulfill the licensure requirement set forth by the State of Connecticut.

Accreditation:
The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Target Audience:
Attending physicians, house staff, fellows, medical students, PA’s

Needs Assessment:
1. Balancing ischemic and bleeding complications post PCI is an important dilemma for clinicians.
2. Addressing the clinical imperatives of lowering bleeding while preserving ischemic benefit requires therapeutic strategies that decouple thrombotic from hemorrhagic risk.

Learning Objectives:
At the conclusion of this activity, participants will be able to:
1. Understanding the importance of bleeding post PCI.
2. To determine the impact of SAPT (ticagrelor monotherapy) vs. DAPT (ticagrelor + aspirin) for 12 months in reducing clinically relevant bleeding among high-risk patients who have undergone successful PCI.
3. To determine the impact of SAPT (ticagrelor monotherapy) vs. DAPT (ticagrelor + aspirin) for 12 months on major ischemic adverse event among high-risk patients who have undergone successful PCI.

Designation Statement:
The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

Faculty Disclosures:
Roxana Mehran, MD - Yes
Course Director: Tariq Ahmad, MD - None

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months, and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
