

Yale SCHOOL OF PUBLIC HEALTH
Epidemiology of Microbial Diseases

EMD Seminar Series

**Helen Jenkins, PhD
Associate Professor
Boston University School of Public Health**

**“Using routinely-collected laboratory data to
understand the epidemiology of tuberculosis in
South Africa”**

Dr. Jenkins will discuss ongoing work using laboratory data to learn more about TB in South Africa. She will discuss the advantages and short-comings of using this rich data source and both published and in progress work investigating the spatial epidemiology of TB in South Africa.

**12:00 PM Wednesday, April 14, 2021
Host: N. Grubaugh/R. Heimer/B. Weiss
Zoom**
