“PCOS- A Rose by any Other Name”

This activity is no corporate support for this activity

This course will fulfill the licensure requirement set forth by the State of Connecticut

Thursday, May 22, 2014 - 4:00PM

Brady Auditorium, Room
B131 Lauder Hall

LEARNING OBJECTIVES:

At the conclusion of this talk, the attendees will be able to:

1. Summarize the pathophysiology of PCOS.
2. Summarize the diagnostic criteria for PCOS.
3. Summarize phenotypes resulting from application of various diagnostic criteria.
4. Outline the diagnostic and therapeutic approaches to PCOS

NEEDS ASSESSMENT:

Polycystic ovary syndrome (PCOS) is among the most common disorders of reproductive-age women. It is the leading cause of anovulatory infertility and a major risk factor for type 2 diabetes. The etiology of PCOS is unknown, its diagnosis criteria controversial and its name misleading.

ACCREDITATION:

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CME CREDIT:

The Yale School of Medicine designates this educational activity for 1 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES:

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
