

October Seminar Notice

**Presented by
Yale School of Medicine's
Department of Psychiatry Grand Rounds**

***“Integrating the Digital Universe of Data to Build
Predictive Models of Disease”***

Eric Schadt, Ph.D.

**Director, Icahn Institute for Genomics and Multiscale Biology
Chair of the Department of Genetics and Genomic Sciences
and the Jean C. and James W. Crystal Professor of
Genomics at the Icahn School of Medicine at Mount
Sinai**

***Friday, October 25, 2013, 10:15 a.m.
CMHC Auditorium, 34 Park Street***

Host: John Krystal, M.D. (203)785-6396

This course will fulfill the licensure requirement set forth by the State of Connecticut
This activity has no corporate support.

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

NEEDS ASSESSMENT

Big data available on patients, whether genomic, imaging, or some other source, can better resolve a diagnosis or treatment path if appropriately leveraged. Today the digital universe of data is not being appropriately leveraged.

LEARNING OBJECTIVES

At the conclusion of this activity, participants will be presented:

- Big data analytics methods
- Information driven decision making
- Patient stratification into disease subtypes.

DESIGNATION STATEMENT

The Yale School of Medicine designates this educational activity for 1 AMA PRA Category 1 Credit(s)TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
