

DEPARTMENT OF GENETICS

SYMPOSIUM 1

TUESDAY, JANUARY 25TH, 2022

9:00AM - 2:45PM

[Register for Zoom Info](#)

Contact: neltja.brewster@yale.edu

TREVOR SORRELLS

ROCKEFELLER UNIVERSITY

"Genetic control of mosquito blood-feeding behavior"

ALESSANDRA DALL'AGNESE

WHITEHEAD INSTITUTE

"Bimolecular condensates: a new perspective on cellular regulation and disease"

JOANNE COLE

BROAD INSTITUTE

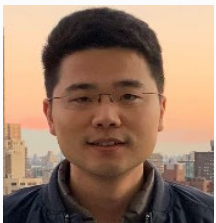

"Using large-scale genomics to explore dietary behavior and its association with human health"

DEBORA SOBREIRA

UNIVERSITY OF CHICAGO

"Regulatory Variants in Metabolic Diseases: Dissecting the complex landscape of GWAS"

WENYAN JIANG

COLUMBIA UNIVERSITY

"Systems Microbiology with Genome Engineering, High-throughput Genomics, and Single-cell Transcriptomics"
