Urology Grand Rounds
Presented by
Yale School of Medicine, Department of Urology

“Bladder Exstrophy: Teams and a Difficult Surgical Problem”

Douglas A. Canning, MD
Chief, Division of Urology, Children’s Hospital of Philadelphia
Professor of Urology in Surgery, Perelman School of Medicine at the University of Pennsylvania
The Leonard and Madlyn Abramson Chair in Pediatric Urology Research

Date: Friday, October 16, 2020 7:30-8:30am
Location: Zoom Web Conference   https://zoom.us/j/98552642455
Course Director/Host: Daniel Kellner, MD

There is no corporate support for this activity
This course will fulfill the licensure requirement set forth by the State of Connecticut

LEARNING OBJECTIVES
At the conclusion of this activity, participants will be able to:
Canning:
1. Understand the anatomy and pathophysiology of Bladder Exstrophy.
2. Understand historical and current approaches to management.
3. Understand the benefits of a team in addressing a complex surgical problem.

NEEDS ASSESSMENT
Canning:
There is a widespread misconception that children with bladder exstrophy are unable to void with continence. This lecture will help close the gap in that knowledge and give important examples of children who void well following appropriate reconstruction.

DISCLOSURES
Canning: None
Daniel Kellner, MD, Course Director: None

ACCREDITATION
The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

DESIGNATION STATEMENT
The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim the credit commensurate with the extent of their participation in the activity. It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.

TARGET AUDIENCE
The target audience are Urology attendings, residents, medical students and other healthcare providers.
